

GJ Firefighters Local 2808 Annual Golf Tournament

Dear Sponsor,

This year we are thrilled to announce that the 13th annual Local 2808 Golf Tournament will be held at Tiara Rado Golf Course in Grand Junction, CO on May 21, 2022.

If you have participated or sponsored this event in the past, we would like to say THANK YOU! We are always looking to find more ways to raise money and would love your contribution for this year's Golf Tournament.

Last year, everyone involved helped with raising a total of **\$13,981**. After total expenses involved with assembling the tournament, \$6,200 was split evenly between Grand Junction Firefighter Foundation and Local 2808. We cannot say thank you enough for a great year!

Tiara Rado Golf Course is located in the Redlands area and offers guests' unmatched views of the Monument, offering golfers a one-of-a-kind experience.

This year the 18-hole shotgun tournament will begin at 08:30 AM, with the driving range and putting green opening promptly at 07:30 AM. All guests will have the opportunity to bid on a sensational array of prize packages at this year's silent auction. Also, you will have the opportunity to purchase 50/50 raffle tickets for \$5.00/ticket or \$20.00/5 tickets. Lunch will be provided by TBA.

We cannot plan and execute an event of this stature ourselves, which is why we need your support! Sponsorships continue to be the most cost-effective way to accomplish a charity fundraiser. Please see the sponsorship form attached for more details on all of the exciting opportunities. We thank you for your continued support of the Local 2808 and cannot wait for you to join us in making the Annual Local 2808 Charity Golf Tournament a huge success!

This year we are partnering with the Grand Junction Firefighter Foundation a local 501(c)(3) organization. Fundraising provides grants for fire fighters, fire fighter families & local residents who have suffered a significant personal tragedy. We also provide grants to local organizations that support our mission and values. As Grand Junction fire fighters we have daily encounters with families in our community. These interactions are personal and usually take place in the families living environment. We created a community support campaign that allows us to identify and support families that are struggling financially. Our assistance is tailored to each individual family to best improve their unique situation.

We greatly appreciate your support and look forward to working with you this year! If you have any questions please contact me using the information below.
