Eagle Level Package

At Tiara Rado Golf Course, we are a full service, 18-hole municipal course nestled against the monument in Grand Junction. With competitive rates and breathtaking views, the course is almost always packed. With over 40,000 rounds played per year at the golf course, organizations have an opportunity to be seen by thousands of unique customers per year.

We are currently looking for sponsor packages for the 2022 golf season. For \$2,500, your company will be a hole sponsor and have exclusive rights for one year to Visage GPS advertising on our fleet of carts. To obtain more information, please feel free to contact Tim Tafoya at timt@gjcity.org or 970-254-3835.
